The Newnan Coweta Historical Society held its annual Preservation Awards Dinner recently(Sept.9,2012) at the historic Train Depot in downtown Newnan to recognize and honor individuals who have restored and preserved venues important to the history of Coweta County. Recognized were the Mary Ray Memorial Schoolhouse committee whose tireless efforts and devotion to their history saved this beautiful structure from demolition. The committee receiving the award were Mr. Allen Robertson, Mrs. Paula Stanford and Mr. Ron Music.

Mr. and Mrs. George Tedder of Oak Grove Plantation have spent countless hours of talent and hard work restoring the beautiful old Barron family cemetery located on their Oak Grove Property, which includes replacing a wrought iron fence. They had the new fence fabricated especially for the cemetery by a company in south Georgia. This cemetery is historically important especially as it is the resting place of several Civil War soldiers. Liz and George Tedder are seen receiving their award.
